Patent Application Entitled: Reflection-Type Projection Screen  
Serial No. 10/719,356  
Account No. 50-1111

To Whom It May Concern:

We are requesting a refund to our deposit account in connection with the above referenced patent application. The fee for one independent claim in excess of three was charged in error to our deposit account by the U.S. Patent and Trademark Office ("PTO"). According to our records, the response submitted on January 5, 2005 did not add any new claims. As a result, no additional fee is believed due for examination of an independent claim in excess of three. A copy of our submission dated January 5, 2006, which includes a listing of claims designated "previously presented," "original," or "currently amended," is enclosed for your review (e.g., none of the claims are listed "new").

In view of the above, kindly refund the charge of 200.00 which was posted on the monthly statement of our account on January 2006, a copy is enclosed for your reference, into our Deposit Account 50-1111.

If you have any questions, please feel free to call me.

Very truly yours,

Patricia E. McQuinney
